DISCOVER THE NINE VILLAGES OF THE VALL DE BOI

The Vall de Boí consists of nine small villages, each with its own unique charm. These mountain villages feature cobbled streets, stone houses, wooden balconies, and slate roofs—elements that blend harmoniously with the surrounding natural environment.

SANTA MARIA DE TAÜLL Features a reproduction of the central apse

The Romanesque Churches of the Vall de Boí

The best place to understand how medieval mural paintings were used, thanks to copies of fresco fragments displayed both inside and outside the church.

Located at 1.500 meters above sea level.

LA NATIVITAT DE DURRO

This monumental church reflects Durro's historical importance during the Middle Ages, with its large nave, bell tower, sculpted doorway, and portico. this chapel serves as a natural viewpoint and the starting point of the Falles Festival

interesting feature of the church.

fresco, depicting the Epiphany scene with baby Jesus on Mary's lap and the Three Wise Men offering their gifts.

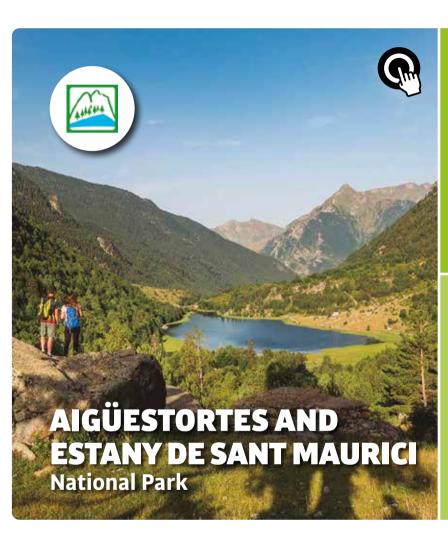

SANTA EULÀLIA D'ERILL LA VALL Known for its slender six-story bell tower, it also houses a copy of the "Descent from the Cross", the only fully preserved sculpture from the Erill Workshop.

SANT FELIU DE BARRUERA SANTA MARIA DE CARDET Showcases architectural elements from both the 11th and 12th centuries. in the entire Romanesque complex

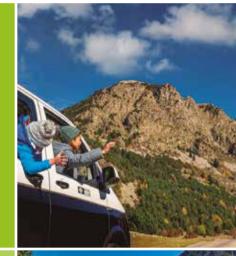

Features one of the most spectacular apses Stands out for its intricately carved capitals, depicting fights between men and animals, as well as the decorated portal, the most in the Vall de Boí and houses the only crypt

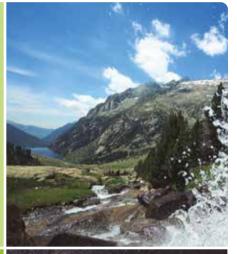

4X4 TAXI TO PLANELL D'AIGÜESTORTES

Access to the National Park is regulated. A 4x4 taxi service from Boí takes visitors to the Planell d'Aigüestortes, an ideal area for families and people with reduced mobility.

HIKING FROM CAVALLERS TO ESTANY NEGRE (MARMOT ROUTE)

A moderate-difficulty route that takes hikers deep into the high mountains, surrounded by impressive 3,000-meter peaks.

A Destination for **FAMILIES**

of nature, sports, and cultural

activities tailored for families.

Enjoy quality time with your family The Vall de Boí offers a wide range

CALDES DE BOÍ Thermal Baths

Pure thermal waters at 1,500 meters above sea level

Extensive gardens featuring 37 sources of mineral water. A wide variety of treatments for children and adults.

HIKING FROM **AIGÜESTORTES TO ESTANY LLONG**

A trail for all ages that follows the Sant Nicolau River up to Estany Llong, with the option to continue towards Estany de Sant Maurici.

STARLIGHT NIGHTS **SPECTACULAR NIGHT SKIES**

FALLES,

We recommend the Sant Quirc de Durro viewpoint and the Boí Taüll ski resort base, where you'll find a small astronomical observation table to help identify the stars.

The cuisine of the Vall de Boí is based on mountain ingredients and ancient

organic beef, and lamb playing

Local **GASTRONOMY** and Products

Dishes are seasonal, with mushrooms, a key role.
